Charlotte,

I received a phone call from Dave Porter 719.369.4300. I don't know if he is a parent of a Pueblo 60 student or is just a community member. He stated that with the teachers being on strike, there are questions that he would like an answer to. Will graduation ceremonies be held on time? Students have invested in caps and gowns, PCC is planning on starting classes a week or so after HS graduation. Will summer school be held?

I told him that these questions will need to be addressed within the school district.

I am letting you know of the conversation in case he calls the district office or in case you would wish to have someone call him.
